

Epoch Engine – Visual Direction Moodboard

1. Political Map Style (Primary Direction)

Flat political shading with strong readable borders. Minimal terrain texture. Color-coded civilizations. Terrain indicated subtly (mountains, rivers, deserts).

2. Campaign / Front Line Visualization

Region-based borders. Clear front lines. Supply overlay toggle. Readable at zoomed-out scale.

3. Minimal HUD Design

Top resource bar: Year, Stability, Population, Military, Food, Production. Right-side region panel. Bottom control strip (Advance Year, 5x, 10x).

4. Hero Event Cards (Subtle Historical Tone)

Portrait card layout. Clean frame. Age, bonus, lifespan visible. Muted tones. No fantasy glow effects.

5. Event Timeline Panel (Epic Memory Engine)

Scrollable vertical log. Major events bolded. Golden Ages highlighted. War declarations emphasized.
